India Ratings Discontinues Voluntary Issuer Rating Disclosure due to Regulatory Requirements; All Outstanding Instrument Rating Remain Unaffected for IDBI Bank Limited

Sep 22, 2023 | Private Sector Bank

India Ratings and Research (Ind-Ra) has discontinued voluntary disclosure of issuer ratings in its rating action commentaries (RACs), due to the regulatory requirement. It may be noted that all outstanding instrument ratings remain unaffected and this action should not be construed as a change to the credit profile.

An issuer rating “indicates the degree of safety of the issuer or the rated entity with regard to timely servicing of all its debt obligations.” An issuer rating helps investors understand the relative vulnerability to default at an issuer level as it is not influenced by instrument-specific features such as credit enhancement or subordination. This makes it comparable across industry groups and also provides a perspective to issuers that the credit profile has factored in the entire debt obligations of the issuer. Ind-Ra’s corporates and financial institutions rating methodologies involve determining an issuer rating first and then assigning instrument ratings, by factoring in instrument-specific characteristics. Ind-Ra had been disclosing Issuer Ratings, wherever applicable, in its RACs along with instrument ratings as a global best credit rating disclosure practice.

The Securities & Exchange Board of India (SEBI) had introduced a specific 'Issuer Ratings' rating scale, which is available in the **Master Circular for Credit Rating Agencies dated 3 July 2023 at section 5.3, page 12**. With a specific rating scale for issuer rating now being available, Ind-Ra will no longer be able to maintain the voluntary issuer rating disclosure without an agreement for specifically assigning issuer rating. Hence, in line with SEBI’s guidelines on assigning credit ratings, Ind-Ra has decided to discontinue issuer rating disclosures. It should be noted that Ind-Ra will continue to offer issuer ratings as a rating service on SEBI specified issuer rating scale, in line with the extant guidelines.

Following the revision in assigning issuer rating practice, the outstanding voluntary issuer rating disclosure of {IssuerName} at IND A+ stands withdrawn. Ind-Ra again wishes to highlight that all outstanding instrument ratings remain unaffected and the rating action on issuer ratings should not be construed as a change to the credit profile.
